

**Other Related Actions to Support the Campaign:**

Some other actions you can do to assist the Universal Ratification Campaign include:

1. Modify a copy of the letter available on the CICC website address above and send it to one or more of the Foreign Ministers listed on our page. The more countries you write to, the more effective the campaign will be!
2. Join the ICC-info list serve, which sends updates in relation to the International Criminal Court. Send an email to [thompson@iccnw.org](mailto:thompson@iccnw.org) in order to join.
3. Contact Ms. Sally Eberhardt at [eberhardt@iccnw.org](mailto:eberhardt@iccnw.org) at the CICC for a model press release which you can use to raise awareness about the Universal Ratification campaign in your country.
4. Contact Ms. Francesca Varda ( [varda@iccnw.org](mailto:varda@iccnw.org)) to inform us of any actions you take, or to discuss initiatives. You can also raise awareness of this campaign by sending this email to other organizations in your country.

Please do not hesitate to contact the CICC if you have further questions or need more information.

Sincerely,

The CICC Secretariat
